JESSIE WEIMER, QUEEN OF SHEBA, JUMBO,

These claims cover the largest body of Gold and Silver-bearing Ore in the West. Were these properties within reach of railroad facilities they would be worth

THREE MILLION DOLLARS.

The Jessie Weimer Mining Company, which was ganized for the purpose of operating these properties, owns and controls all of this ground.

It is capitalized at 1,000,000 shares, the first 100,000 of which are now on sale. It offers rare op portunities for making safe and profitable investments.
